Should you need medication the doctor will give you a prescription which you can take to any pharmacy to pick up the medicine. Usually, you will have to pay for a small part of the medication yourself. Pharmacies are also the only places which sell over-the-counter drugs like pain relievers, etc. The **pharmacy** nearest to the campus is located in the **Winkler-Markt building (nr.12)**. After hours, a sign in any pharmacy's window will always tell you the nearest pharmacy on duty. The general hospital in Linz is Allgemeines Krankenhaus (AKH Linz), Krankenhausstraße 9. It provides an emergency room. In addition, Linz has a number of specialized hospitals, some of which also have emergency rooms. In the case of a medical emergency, call 144.
